Terms and Conditions

Effective Date: [Insert Date]

Company Name: JA Stock Broker

Contact: WhatsApp – 8019671808

1. Overview

JA Stock Broker is a simulated trading platform designed to replicate market conditions using concepts like Price Action, Smart Money Concepts (SMC), and Candlestick Analysis. The platform is built for educational, competitive, and learning purposes only. This is not a SEBI-registered broker and does not involve actual market trading.

By registering or trading, you agree to abide by these terms.

2. Eligibility

- Minimum age to participate is 14 years.
- A valid Indian mobile number and access to WhatsApp are required for communication and verification.
- Users must understand that this is a simulated trading environment, not a real stock market.

3. Deposits

- The minimum deposit to start trading is ₹50.
- Deposits are non-refundable once credited to your trading wallet.
- UPI or manual transfer confirmations are handled via WhatsApp with admin approval.

4. Trading Rules

- Market sessions open daily for 1.5 to 2 hours at fixed times (announced via WhatsApp).
- ₹0.50 is charged per trade (Buy or Sell).
- All trades must be made during the active session time only.
- The market price movement is manually controlled by admin using simple Price Action, SMC setups, and Candlestick-based logic to simulate realistic and teachable market conditions.

5. Profit and Withdrawals

- Withdrawals are allowed only after achieving a minimum of 10% profit on your deposited capital.
- A 2% withdrawal fee is charged on the total capital (including profit).
- Withdrawals are processed within 24 hours of request approval.

6. Simulated Market Environment

- Price movement is simulated and does not reflect live stock market prices.
- The market follows educational trading models based on realistic concepts (PA, SMC, Candlesticks).
- This is a zero-sum system – traders earn profits from others' losses and vice versa.

7. User Responsibility

- You are responsible for keeping your trade certificate number, passwords, and trade access details secure.
- JA Stock Broker is not responsible for unauthorized access due to user negligence.

8. Fair Usage Policy

- Using bots, automation tools, or exploiting bugs is strictly prohibited.
- Any account found violating the system will be suspended or permanently banned.

9. No Financial Advice

- This platform does not offer any financial, investment, or trading advice.
- All activity is simulated and intended for practice, competition, and learning.

10. Updates & Changes

JA Stock Broker reserves the right to update or modify these terms at any time.

Changes will be notified via official WhatsApp number.

11. Limitation of Liability

JA Stock Broker is not liable for:

- Any losses resulting from trade decisions
- System downtime or technical issues
- Misunderstanding of the rules or trading approach
